

BARKANTINE ESTATE November 2022

The newsletter of the 4 Estates Forum, a group of residents, independent of One Housing

What is the situation at Kedge House, Starboard Way and Winch House?

The residents in Kedge House, Starboard Way and Winch House took part in a ballot on the future of their homes in May 2021. 94% of those eligible to vote took part in the ballot and of those who voted:

- 88% voted yes to the regeneration project
- 12% voted no to the regeneration project

The summary situation is:

- Ballot date – May 2021
- Ballot result – 88% in favour, turnout 94%
- Architect – PRP
- Developer – Mount Anvil
- Homes to be demolished – 72 homes
- Homes to be built – 278 homes
- Planning application outcome due – Autumn 2023
- Anticipated start on site – Spring 2024
- Anticipated completion date – Spring 2029

In October 2022, Mount Anvil were appointed by One Housing as the developers for the scheme. The developers will now work with the residents on the final designs which will go forward to be considered by the Council's Planning Committee later next year.

The residents are started to move from two of the blocks in preparation for the first phase which requires Winch House to be demolished. Residents have the option to move from Winch House on a permanent or temporary basis. Those moved temporarily can then move back to the new homes built on the site of Winch House.

4 Estates Forum meet the Chief Executive of Riverside Housing Association

Last month, the members of the 4 Estates Forum met with Carol Matthews, the Chief Executive of Riverside Housing Association; the organisation that One Housing merged into late last year.

This was the first opportunity to question the Chief Executive about how the merger would affect One Housing residents especially those on the estates that are subject to regeneration proposals.

At the meeting it was made clear that One Housing still exists and that they are responsible for the regeneration as well as services. Nevertheless as part of the Riverside Group the Chief Executive confirmed that Riverside will uphold the promises made to residents in the regeneration schemes.

The current financial crisis was also raised. In response to how this would affect the delivery of the regeneration promises, Carol Matthews responded that they were committed to deliver the regeneration schemes, even if it may mean that they may take longer than originally planned.

The role of the 4 Estates Forum

The 4 Estates Forum (4EF) is an elected group of residents independent of One Housing Group with the aim of holding One Housing Group to account.

In the current consultation being undertaken in the three areas, we are not making any decisions on behalf of residents about their homes, our role is to make sure all residents’ voices can be heard loudly and clearly and that any consultation is done properly, fairly and openly.
