ALICE SHEPHERD HOUSE & OAK HOUSE SPECIAL NEWSLETTER

Thank you very much to those residents who have volunteered to serve on the Resident Steering Group for Alice Shepherd House and Oak House.

For those that volunteered we held a meeting on Monday night to explain what will be involved. A copy of the minutes is available on the 4 Estates Forum website –

www.4estatesforum.org.uk.

The next step is that the Tenants & Residents Association has organised a meeting at which you will receive an update on what will happen in the New Year. In addition, the meeting will appoint the residents who will serve on the Resident Steering Group.

If you have any queries, the St Johns Tenants & Residents Association Chair is Maggie Phillips who can be contacted on 07910 416868.
