

Kedge House, Starboard Way & Winch House

Thank you so much to those of you who attended the meeting on 27th November 2018 regarding the future of the blocks.

The minutes of the meeting are attached for your information. The minutes of the meeting are also available on the 4EF website www.4estatesforum.org.uk. The website now has a section called "Resident Steering Groups" and if you click on that tab, three tabs appear for each of the three areas. If you click on them you can find all the correspondence, newsletters and minutes for the meetings in that area.

As promised at the meeting the residents asked me to take up with One Housing Group their request that every resident take part in a Resident Steering Group rather than appointing a number of residents. One Housing Group are not keen on this but they have agreed. I will therefore be setting up meeting with them for you all to attend in the New Year.

In the meantime I also attach as you requested the Draft Terms of Reference for a Resident Steering Group for your blocks whereby all residents can take part

You also asked me to prepare a draft set of questions for you to ask One Housing Group during the process which incorporates those that you as residents have already come up with. These are over 20 pages so instead of printing them out I have added adding them to the website www.4estatesforum.org.uk for you all to see.

Finally at the meeting residents asked me to compose a survey to go out to all residents. For those of you who I had email addresses for you have already seen and commented on the draft. I have discussed this with One Housing Group who want to discuss the content with you before it goes out as they also want a survey to go out in the New Year.

This should therefore be the main item agenda for the first meeting in 2019. As soon as I have news of a date for this, I will let you know.
